

## Classis Huron Pulpit Supply Schedule

### September to December 2016

As per S4.2 [Classical Appointments] of the Classis Huron Rules and Regulations, where there are less than 5 vacancies in Classis, 'pulpit supply' shall be provided twice per month. While 'tradition' is to schedule the 2<sup>nd</sup> and 4<sup>th</sup> Sundays in each month that's been modified a bit for October to allow Pastors to be in their own Church for Thanksgiving weekend.

In keeping with a previous decision by CMC, where there is more than one pastor serving a Congregation, the schedule shall indicate the Church responsible for filling the assignment, and the pastors shall decide among themselves who is to complete the assignment.

If any of you cannot fulfill the assignment you are asked to arrange for another pastor to fill that slot on your behalf.

NOTE: Candidate Victor Laarman has accepted the call to Collingwood CRC and will be examined at the September Classis meeting. He anticipates beginning his ministry in Collingwood in November, DV. Rev. Ed Jager from Calgary, has accepted the call to New Life CRC in Guelph and anticipates beginning his ministry there in November, DV.
